We, Sun First International Ltd. was established in 1993 by a group of engineering professionals and we are specialized in manufacturing and trading of water pumping system for buildings. The mission of the company is to build a sustainable relationship with leading international equipment manufacturers, consolidating our role as their exclusive value-added agent in the region of Greater China by providing quality products and customer-oriented after-sales service to both intermediaries and end-users in the region.

Our business is comprised of two components, namely trading of water pumping system for buildings and installation/maintenance contracts, with the former as the primary focus.

Throughout years, our company has established foothold in marketing and distribution of a comprehensive range of products including building service water pumps, electric motors, valves, pressure vessels, variable speed controllers, heat exchangers, ozonation systems, UV sterilizers, heat pumps, filtration system, fire service, HVAC (Heating, Ventilation and Air Conditioning) in Hong Kong, Macau, and China respectively; and aforementioned equipment is mainly used by property developers, technical contractors, utilities companies, equipment manufacturers and equipment retailers. Our agency and distributor products includes: Apex, Lowara, Armstrong, Conex Banninger, Bell & Gossett, Flygt, Robot, Goulds, CIMM, Hydrovar variable Speed Drive and SFI.

Over the past years, we successfully established a stable and sizeable customer base by making every effort to maintain a consistent delivery of quality products and services. Our products are highly recognized by the industry and have been installed in various government and public utility buildings such as Hong Kong Airport Authority, Hong Kong Convention Exhibition Centre, David Trench Rehabilitation Centre, Yan Chai Hospital, police stations, fire stations, Hong Kong Disneyland, Hong Kong Electricity, China Light and Power Limited, Hong Kong Housing Authority and Hong Kong Housing Society.

Second to trading of water pumping system for buildings, installation and maintenance contract is the other essential part of our business. In the past two decades, we are proud to be selected and participate in construction projects led by Cheung Kong Development, Henderson Developments Sun Hung Kei Group, New World Group, Sino Land Properties, Kerry Group, Swire Properties, Nam Fung Properties, Billion Group, China Chem Group and Dah Cheong Hong, etc. Not to mention that the majority of regular customers are market leaders in their respective industries.

As our professional of Engineering on Pump, variable speed control and E&M installation of building , we are the listed maintenance contractor and supplier of Hong Kong Electrical & Mechanical Services Department, Hong Kong Hospital Authority, 夏利文, 信和集團, 恆基地產, 恆益, 偉邦, 富城, 中海, 南豐, 廖創興, 興怡, 嘉里, 高衛, 港基, 華潤物業, 康居物業, 富豪集團

Recommendation Letter

Date: 1st November 2010

Sun First International Ltd.
Flat A, 4/F., Kwai Shun Industrial Centre,
No. 51-63, Container Port Road, Kwai Chung
N.T., Hong Kong

To whom it may concern,

On behalf of the Hong Kong Convention and Exhibition Centre, we would like to express our satisfaction and appreciation to Sun First International Ltd. for their excellent products and services provided over the years.

Sun First International Limited supplied the 'APEXPUMPS' pump sets to us back in 2006. They are still functioning perfectly as they should be up to this moment.

CASTING PUMPS - SUPPLIED ON YEAR 2006

APPLICATION:	Fresh	Fresh	Fresh	Fresh

李先生:

感謝信
供應食水濾器及提供專業意見

慈愛苑三期自二零零九年, 曾進行更換共六台食水濾器工程, 該六台食水濾器均由貴司負責供應, 而工程亦已全部順利完成。

貴司除交貨期準確、水質質量優良外, 更於承辦安裝水濾器的期間, 為本廠提供專業意見及協助, 務使整個更換工程能順利如期完成, 而該六台食水濾器至今仍保持良好運作狀態。在此, 特再函感謝 貴公司為本廠供應優質食水濾器及提供專業意見。

祝
業務蒸蒸日上
